## New Standards in Comfort and Safety

The elegant interiors of the J7, lit up with ambient colours, also lives up to the promise of a new experience. At the centre of it is a 10.4" touch screen that is unique by its vertical design. A media system with Apple CarPlay and Android Auto makes the drive more enjoyable while driver-friendly features and LED headlights make it a safer one. Almost 4.8 m long, the J7 is not only the most spacious sedan in its segment, but with the multi-pillar independent suspensions and luxurious first-class seats, the most comfortable to

New promises. New priorities. New expectations. In a changing world, one automotive company is rising up to the challenge of bringing excellence closer to the dreamers. JAC Motors is now in Oman, with a range of vehicles from feature-rich crossovers to highly versatile commercial carriers. With more than five decades of expertise, JAC Motors is making a mark by its capability of delivering quality for less.

**With its stunning sport-back design and sporty drive, the J7 is your spontaneous choice in a world of look-alike sedans - because you are different.**
