T8 for Every Reason

Be it business or leisure, T8 rises up to the occasion. You can choose between Single and Double cabins as well as 2WD and 4WD versions, depending on the trips you make or the adventure you seek. T8 adds a sparkle to your lifestyle with alloy wheels, daytime running lamps and LED taillamps. Just to add more ease to your driving, T8 is equipped with foglamps in front and rear, along with parking sensors and power steering as standard. Big and powerful, T8 underlines practicality in every detail – it even has a bedliner coating to safeguard against scratches while loading and unloading. T8 is also the perfect choice for your company fleet as it stands by your corporate commitment to the environment with Euro V emission standards.
